

PREAMBLE TO DAY WORK RATES

Any work ordered by the Superintending Officers (S.O.) to be carried out by day work shall be paid for at the rate entered hereunder subject to the following conditions :-

- 1) The rate entered for labour shall be deemed to include all on costs associated with the employment of such labour including (inter-alia), head office charges, overhead charges, profit, site expenses subsistence allowances, time lost due to inclement weather, bonus, holiday and sick pay, and any other employee's fringe benefit(s), small tools and consumables stores temporary equipment such as wages, temporary tracks, ladders staging scaffolding and all items of a similar nature unless there are provided or set up exclusively for day work.
- 2) The wages of gangers and leading hands working with their gangs shall be paid for at the appropriate rates, but the time of walking gangers, sub – foreman and foreman will be included and shall be deemed to be included in the rates entered for labour under site supervision and staff.
- 3) Payment of overtime work, if chargeable and approved by the S.O. shall be made at the rate entered herein, but the time so worked as overtime shall be adjusted in the same proportion as that used for paying the normal workmen on the site and approved by the S.O. Thus if a man works 1 hour overtime for which the rate payable is double time, payment shall be made for 2 hours at the rate entered in the dayworks schedule.

*Note : Overtime is working time over and above 8 hours per working day including Saturday or 48 hours per week.

- 4) The special cost of special watching and lighting necessitated by dayworks shall be included in the rates.
- 5) The rate entered for plants shall apply only to plant which the contractor has available in the site. Such rates shall be deemed to include all over head charges, profit, site supervision and staff, hire charges fuel, maintenance, consumable stores, spare parts, insurances etc. But shall exclude the cost of wages for drivers and operators, which shall be payable separately as dealt with under paragraph 1 above.
- 6) Payment for mechanically operated plant shall be made only at such times as the plant is engaged in day work and shall exclude all standing, idle or down time.
- 7) If any workmen or items of plant on day work do not readily belong to any classification included in the schedule or inserted by the contractors at the time of tendering, the S.O. shall determine the equivalent classification to be adopted for such workmen or items or plant and payment for such will be made accordingly.
- 8) The rate inserted by the contractor shall be realistic rates in conformity with those on which his tender has been based, and shall be based on conditions prevailing at the time of tender but bearing in mind that claims for escalation will not be entertained.
- 9) The rate inserted by shall be subject to agreement with the S.O. as to their reasonableness and subject to such agreement shall be used as day work rates.

- 10) The day work rates entered hereunder and agreed by the S.O. shall not be further subject to the fifteen percent (15%) addition as stipulated in clause 25(d) of the condition of contract.
- 11) The Contractor shall produce for verification to the S.O. vouchers specifying the time and materials employed on the work, if required, the contractor shall also produce his receipted bills and wages books in support of his accounts.
- 12) Where special mechanical plant is required for use on day works, the cost to be paid to the Contractor shall be subject to agreement by the S.O.
- 13) Only time on work actually done will be allowed. A "day" is considered to be normal working day of 8 hours. Fraction of day will be paid for pro – rata.
- 14) Rates for power driven tools are not included in the labour rates but charges for hand tools shall be deemed to be included.

DAYWORK RATES

Only time on work will be allowed. A “day” is considered to be a normal working day of 8 hours. Fractions of a day will be paid for “pro – rata”

Item No.	Description	Rate / Day
